Supervisor John Berger said the meeting was called for the purpose of opening bids for the 2018 season for motor pave. Motor paving 3 inches thick by 18 feet wide with chip seal on top.

The Town of Lexington received 2 bids; one from Peckham and one from Goreman. The roads to be done are Terrace Drive, Goff Drive, Valley View, and if there are any additional monies North Beech Ridge Rd. There was some discussion comparing the 2 bids and it was decided to accept the 2 bids. The bid from Peckham was approximately $109,000.00 and the bid from Goreman was approximately $101,000.00. The Town of Lexington Town Board will not award the bids until after the Greene County contract price comes in. The price will probably change on materials according to the County bids.

Council Member JoEllen Schermerhorn asked the status on the Summer Swim Program. Supervisor Berger answered that we do not have a program in place yet. Supervisor Berger said he would speak to Beth Cervola to see if she would be interested in being the Director again this summer. Supervisor Berger also suggested we might see about combining with the Town of Ashland to share a bus.

Adjourn

Council Member JoEllen Schermerhorn made a motion to adjourn the meeting, seconded by Council Member Michael Barcone. Motion carried with none opposed.

Supervisor John Berger adjourned the meeting.

Respectfully Submitted,
